

Centrally located in Summerside, the Quality Inn, Garden of the Gulf is only a twenty minute drive from the Confederation Bridge, 30 minutes from Cavendish and Anne of Green Gables and 40 minutes from Charlottetown. Adjacent to Brothers Two Restaurant and Dinner Theatre, we are directly across from the College of Piping and just minutes away from Spinnakers' Landing, Jubilee Theatre and the Waterfront Shopping.

With only 94 rooms and beautiful indoor courtyards, the Garden of the Gulf is small enough to provide our guests with a degree of intimacy, attentiveness and comfort that would be impossible to find in one of the Island's larger hotels. Set an hour aside for our indoor or outdoor pools, or play golf on our 9 hole par 3 golf course.
